

Meshtech

MT MeshConnect 2011

TYPE OF DEVICE

Meshtech Gateway

DIMENSIONS

Length - 135 mm
Width - 128 mm
Height - 45 mm

WEIGHT

820 grams

MATERIAL AND COLOR

Aluminium body in black color

CHIPSET

Intel Celeron processor

OPERATING SYSTEM

Meshtech OS and Linux

CONNECTORS

1 x DC 12V DC input

COMMUNICATION

Supports BLE 4.X and BLE 5.0
LAN ports: 2 x RJ-45 port | Realtek RTL8111E 10/100/1000
Controller Wi-Fi

POWER

1 x DC 12V, DC input 10W, wall powered

CERTIFICATION

CE, IP20

OTHER FEATURES

- Easy to mount with bracket
- Optional LTE + GNSS
- Industrial computer

APPLICATION AREAS

- Smart Buildings
- Healthcare
- Construction
- Asset Tracking
